Where We Operate

Clients Spread

We work with many National and International clients, from recognized Oil Majors and Service companies to global drinks brands and other substantial businesses.

Logistics Bases

Whassan Head Office is based in Lagos, with logistics base strategically located in Port Harcourt.

Our logistics expertise means we can operate anywhere our clients need, supplying competent, quality workforce plus equipment and materials for our cleaning, maintenance and maintenance ground teams.

We have recently installed an Industrial Kitchen with a capacity of 9,000 meals per week in our Lagos Base to provide services to our Clients.

Catering & Facilities Maintenance

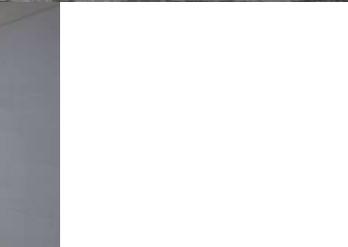

From one client to the other, apart from the comprehensive Integrated Facilities Management Services (IFMS) in various locations, we also provide Catering services and provide several thousand meals per day.

We have successfully managed camp design and construction and also renovated and improved existing facilities, all with the objective of making life better for the clients' staff and contractors.

Manpower Supply

We also offer a Manpower Supply service in the areas of Technical/Non-Technical and QA/QC manpower.
